ACM S3 2021

In Conjugation with MobiCom 2021

Oct 29 2021, New Orleans, United States

Join the 12th ACM Wireless of the Students, by the Students, and for the Students Workshop

The S^3 workshop provides a unique venue for graduate students to present, discuss, and exchange ideas on mobile wireless networks. The workshop is organized by a student-run TPC. S^3 aims to encourage student leadership and participation in the research community.

S^3 encourages students with a paper, poster, or demo at ACM MobiCom main conference to present their work at S^3, as well.

- If you're a student looking for early feedback on your research, please submit a 3-page paper.
- If you have an app that you want to showcase, please submit a demo.
- If you have a small idea, please submit a poster.
